RE: Physician's and Surgeon's Certificate No. G 49554
Case No. 8002015014299

Public Letter of Reprimand

On May 27, 2015, the Medical Licensure Commission of Alabama issued a Consent Order whereby you were reprimanded, required to complete 25 credits of continuing medical education (CME) credits and fined \$2,500. This action is based on the fact that you submitted false information on your license renewal application for the year 2015. You reported you had completed the required 25 CME credits when in fact you had only completed 11.5 valid CME credits.

These actions constitute a violation of California Business and Professions Code sections 141(a), 2234 and 2305.

Pursuant to the authority of the California Business and Professions Code section 2233, you are hereby issued this Public Letter of Reprimand by the Medical Board of California.

Executive Director
